

# Just Chill

Jon Young

So Tired, So Sick  
Of Yo Shit  
Its Ova  
Everytime I Turn Around  
U Right Ova Mah Shoulda

I Cant Live Witchu All Up In My Grill  
I Dont Undastandi Wish That U Could Just Chill

No Matter What I Do  
Its Neva Good Enuff Fo U

I Keep On Tryin 2 Please Ya  
But I Dont Need Ya  
If U Goin Be Trippin  
Everytime I See Ya

Sick & Tired Of All The Questions  
Its Gettin A Bit Much  
Every Button That I Touch  
Sets U Offand Then Im Fucked

Cuz No Matter What I Do Or What I Say  
Im Always Wrong  
If I Call Then Im Callin Too Much  
Or Not At All

Either Way I'm Messin Up  
I'm Fightin A Losin Battle  
The Winners Been Determined  
So Im Finna Put Down My Paddle

Cuz Im Sick Of Always Playin This Game  
Its Gettin Old  
Girl U Know I Aint Cheatin  
U Jus Wanna Be In Control

But I Cant Be Havin That  
Cuz Im A Grinder And U Know This  
U Need 2 Jus Chill  
Consider This Ur Final Notice

I Got Thangz To Do  
Deal Wit It Or Girl Im Dunzo  
If U Trip Over Sum Shit Again  
U Goin Be Solo

My Fundz Low  
So I Gotta Get Back On My Grind  
No More Givin In When U Trippin  
Im Wastin Time

U Know I Aint Finna Do U Wrong  
Thats Why Im Sayin Chill  
Wit Me U Always Know The Deal  
Girl I Always Keep It Real

Just Got In The Door,  
And There You Was Waiting  
But Not To Greet Me,  
Just To Start With Your Interogating

Where I Been?  
I Told Ya, I Was With My Friend.  
Oh My God, Here We Go With This Ish Again.

I Aint Gotta Prove Myself,  
I Been Did That.  
I Done Got You Everything You Need,  
And Then That.

So I Aint Answer My Phone,  
And Now U All Mad At Me  
Think Im Cheatin  
When You See I Got A Low Battery.

Its Like You Feed On Drama,  
And I Dont Need That.  
Always Over My Shoulda,  
So Ima Leave That.

You Need To Understand,  
N I Dont Think Im Wrong,  
That Once N Awhile  
I Need Some Myspace Like .Com

N Same Goes For The Fellas,  
You Need To Trust Yo Lady.  
Jus Hold On Loosely  
Clingin Too Tight Gonna Drive Her Crazy.

But I Done Found A Good One,  
And Damn She Keep It Real,  
You Havin Problems, Talk About It  
Tell Em Just Chill
