Jonas Brothers

She's such a flirt
And I am the lonely heart
Give it a chance
For our love to start
But you'll never see
If you don't give me a shot
To show you what I've got

But it's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else

I held your hand (ah ah)
It felt like a movie
I made some plans (ah ah)
But you were already moving on
Now I'm stuck under a rainy cloud
But you don't seem to care
But it's alright 'cause it's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf, yeah
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else

I'm tired of wastin' all my time
My heart is hangin' on the line
Is it me girl or someone else
Please take me off the shelf

Too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf
La la la la la
La la la la la
Everybody
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else
Yeah
Woo ooooo
