

# Your Biggest Fan

Jonas Brothers

I never thought I would, did it  
Never thought I could  
I did it like that, did it like this  
Did it like everybody knows  
That we got something real, shorty  
I know what I feel  
Shout it like that  
Shout it like this  
Listen up, everybody knows but you,  
So here it goes

Cause I never really noticed  
Took a while for me to see  
Playing back the moments  
Now I'm starting to believe  
That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are but I know who I am  
Baby, I'm your biggest fan, oh

Every time you smile for me  
Takes me a while to bring myself back  
Cause your all that  
And I just had to let you know  
That I'm screaming out in the crowd for you  
I can be too loud 'cause I don't care  
I let 'em all stare  
I just want everyone to know the truth,  
It's only you

I never really noticed  
Took a while for me see (a while for me to see)  
Playing back the moments  
Now I'm starting to believe (starting to believe)  
That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are but I know who I am  
Baby, I'm your biggest fan

You showed up and you looked so classy  
Made me think twice 'bout the way I was acting  
You were real from the start of it all  
Like a dream came to life, now I'm left in awe  
Stars shine but your light is the brightest  
Love flies but your love is the highest  
You're so sweet that it drives me crazy  
A summer like no other, you're my L.A. baby

I never really noticed  
Took a while for me to see  
Playing back the moments  
Now I'm starting to believe  
That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are but I know who I am  
Baby, I'm your biggest fan, oh  
Baby, I'm your biggest fan, oh

That you could be at the show and know every word  
But it's you who makes me sing  
I may not know where we are but I know who I am  
Baby, I'm your biggest fan
