

All You Gotta Do Is Touch Me

Jonatha Brooke

All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.
All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.

All ya gotta do is touch me easy
All ya gotta do is touch me slow
All ya gotta do is hug me squeeze me
All ya gotta do is let me know

I fully aim, to get my soul known again
As the maniac, the saint, the sinner, the drinker, the thinker,
the queer
I am the WORKS, the whole WORKS
And it's not "till you have called me all of these things
That I feel satisfied, I feel satisfied.

All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.
All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.

All ya gotta do is kiss me, kiss me
All ya gotta do is kiss me nice
All ya gotta do is touch me all day
All ya gotta do's kiss me all night

No one will ever know, when you are ready, ready for me
But I know when you feel ready for me
And you know when I feel ready for you
The others will never know
They will never know, in all of their WORDS

All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.
All ya gotta do is touch me, touch me;
All ya gotta do is touch me good.

Let me see the way you move
Warm skin soft with a cat step groove
Let me do what you hope I'll do
Let me think what you want me to
