

# Get You Out

Jonathan Clay

Well I've been watching you from afar  
Wondering what I've got to go for your heart  
Won't somebody save me, throw me a line  
Anything to keep me from seeing the signs

Oh you're the one that I've been wondering 'bout  
And I can't get you out  
Yeah, yeah  
I can't get you out  
Out, out of my head

So does it feel good to have the control  
Knowing that with one word, you had me sold  
I think this time I'm over my head  
I should have listened to what my conscience said

Oh you're the one that I've been wondering 'bout  
And I can't get you out  
Yeah, yeah  
I can't get you out  
Out, out of my head  
I can't get you out  
Oh no  
I can't get you out,  
Out, out of my head  
Out of my head

Should I just lay low, lay low  
Should I let go, let go  
Should I lay low, walk away and never know  
Should I just lay low, lay low  
Should I let go, let go  
Should I lay low, walk away and never know

Oh you're the one that I've been wondering 'bout  
And I can't get you out  
Oh no  
I can't get you out  
Out, out of my head  
I can't get you out  
Oh no  
I can't get you out,  
Out, out of my head  
Out of my head  
Out of my head  
Out of my head  
I can't get you out  
Oh I can't get you out  
I can't get you out  
Out of my head  
Out of my head...
