I Will

Jonathan Coulton

Who knows how long I've loved you? You know I love you still Will I wait a lonely lifetime? If you want me to I will

And if I ever saw you I didn't catch your name But it never really mattered I will always feel the same

Love you forever and forever Love you with all my heart Love you whenever we're together Love you when we're apart

And when at last I find you Your song will fill the air Sing it loud so I can hear you Make it easy to be near you Oh the things you do endear you to me Oh you know I will I will
