

# Millionaire Girlfriend

Jonathan Coulton

I will wait a lifetime if it takes that long  
I know she's out there for I have heard her song  
In dreams she sings to me  
Her angel's voice a symphony  
Is she in a garden or a meadow fair  
Does the dappled sunlight shine ribbons in her hair?  
Does she sit patiently smiling as she waits for me?

She's my millionaire girlfriend and she's my life  
Once I finally find her I'll get permission from the wife  
We will all live in our castle high  
My beloved and my millionaire girlfriend and I

She's a stolen secret from a pirate's chest  
I will wear an ascot and a suit that has a vest  
And I will put it on as I watch gardener mow the lawn  
She's a fairy princess from a song of old  
I will have a toothbrush that is made of solid gold  
And I will watch TV as my manservant flosses me

She's my millionaire girlfriend and she's my life  
Once I finally find her I'll get permission from the wife  
We will all live in our castle high  
My beloved and my millionaire girlfriend and I

It does not matter to me if she's pretty  
All that counts is what she's got at Citibank  
Chase Manhattan or even Washington Mutual

When my search is ended I will cherish her  
She will sign some papers, give me power of attorney  
And what's hers will be mine in perpetuity

She's my millionaire girlfriend and she's my life  
Once I finally find her I'll get permission from the wife  
We will all live in our castle high  
My beloved and my millionaire girlfriend and I  
My beloved and my millionaire girlfriend and I
