

# Take Care of Me

Jonathan Coulton

I woke up with a headache  
Slept too late and my coffee turned cold  
Nobody got me my breakfast  
My eyes are tired my body feels old  
And no one seems to care  
I'm looking at you when I say that

Why don't you take care of me?  
Why don't you take care of me?  
Why don't you take care of me?  
When you know that I can't take care of myself?

I think this handle is broken  
No one can fix it cause no one knows how  
That's not the pen that I wanted  
Come and look what you made me do now  
I'm not surprised at all  
I know how it goes  
I get it

Why don't you take care of me?  
Why don't you take care of me?  
Why don't you take care of me?  
When you know that I can't take care of myself at all?

I see you're busy with something  
Go ahead and finish I swear it's alright  
I'll just sit here in the dark then  
With no one helping me turn on the light  
And by the time you're done it's probably too late  
To help me

Why don't you take care of me?  
Why don't you take care of me?  
Why don't you take care of me?  
When you know that I can't take care of myself?
