

# Dirty

Jonathan Davis

Keep knocking  
Noones there  
Pouring down  
Near people

I'm out here  
By myself  
All alone  
Ready to blow my head off!  
I hurt so bad inside  
At least you can see  
The world through my eyes  
It stays the same  
I just wanna laugh again

Keep hoping  
Nothing to spare  
So my life  
Isn't quite there  
Feel like a whore  
A dirty whore  
Such a whore  
Dirty

I'm out here  
By myself  
All alone  
Ready to blow my head off!  
I hurt so bad inside  
I wish you could see  
The world through in my eyes  
It stays the same  
I just wanna laugh again

I'll die again  
I'll die again  
I'll wilt again  
Into you  
You dirty little fuck  
Dirty little fuck  
You dirty little fuck  
Dirty little fuck

You dirty little fuck  
I will take it

I hurt so bad inside  
I wish you could see  
The world through my eyes  
It stays the same  
I just wanna laugh again
