

Hushabye

Jonathan Davis

This sunny Sunday
Is a good day to go
Guess you want me to stay
Well let me know
And I hate to say
It's been a waste of time
I hate to interrupt the flow

Why, Why, Why
Hushabye
Hushabye, why aren't you ready to go?
Why, Why, Why
Hushabye
Couldn't we fast forward all through this show?

You say you'd love to
But you've lost what's left to do
Almost decided to stay 'cause of you
And I'm here today to exchange your dreams
For one more ticking of your time

Why, Why, Why
Hushabye
Hushabye, why aren't you ready to go?
Why, Why, Why
Hushabye

Couldn't we fast forward all through this show?

Why, why
What you hanging up for?
What you doing that for?
What you breakin' up for?
Why, hushabye

I hate to interrupt the flow
For one more ticking of your time

Soothing Sunday is a good day to go!

Why, Why, Why
Hushabye
Hushabye, why aren't you ready to go?
Why, Why, Why
Hushabye
Couldn't we fast forward all through this show?

Hushabye
Why, why, why I
What you breaking up for?
Why, why
Hushabye
