

Champions

Jonathan Nelson

We have a message just for you:
There are champions right here in this room.
Every time you hear, hear this melody,
Be reminded of your authority.

Champions (champions), champions (champions),
That's what we are.

We have a message just for you:
There are champions right here in this room.
Every time you hear, hear this melody,
Be reminded of your authority.

Champion... that's what God made me
With authority over the enemy
He promised me that our eyes can see
With victory and authority
Yeah...

Oh, oh... oh, oh... that's what we are.

Oh, oh... oh, oh... oh, oh...
That's what we are.

Champion, that's what God made me.
Champion...

Champions!
