

Right Now Praise

Jonathan Nelson

I am just one praise from my breakthrough
I'm just one praise away from my blessing
So I must reach down inside to the depths of my soul
and bring forth a right now praise that's already in me.

You are just a praise from your breakthrough
just a praise away from your blessing
if you just reach down inside to the depths of your soul
and bring forthha right now and praise that's already in you...
um.

For it's my praise (ah-ah-ah)
That produces fresh oil (fresh oil...)
And it's the oil of the anointing
That destroys every yoke
So I must reach down inside
To the depths of my soul
And bring forth a right now praise
That's already in me

[Chorus (Repeat as needed):]
Praise, a right now praise
Praise, a right now praise
Praise, a right now praise
Call it forth...
