

Right Now Praise

Jonathan Nelson

I am just one praise from my breakthrough
I'm just one praise away from my blessing
So I must reach down inside to the depths of my soul
and bring forth a right now praise that's already in me.

You are just a praise from your breakthrough
just a praise away from your blessing
if you just reach down inside to the depths of your soul
and bring forth a right now and praise that's already in you...
um.

For it's my praise (ah-ah-ah)
That produces fresh oil (fresh oil...)
And it's the oil of the anointing
That destroys every yoke
So I must reach down inside
To the depths of my soul
And bring forth a right now praise
That's already in me

[Chorus (Repeat as needed):]
Praise, a right now praise
Praise, a right now praise
Praise, a right now praise
Call it forth...
