## **Right Now Praise**

**Jonathan Nelson** 

I am just one praise from my breakthrough I'm just one praise away from my blessing So I must reach down inside to the depths of my soul and bring forth a right now praise that's already in me.

You are just a praise from your breakthrough just a praise away from your blessing if you just reach down inside to the depths of your soul and bring forthha right now and praise that's already in you... um.

For it's my praise (ah-ah-ah) That produces fresh oil (fresh oil...) And it's the oil of the anointing That destroys every yoke So I must reach down inside To the depths of my soul And bring forth a right now praise That's already in me

[Chorus (Repeat as needed):]
Praise, a right now praise
Praise, a right now praise
Praise, a right now praise
Call it forth...
