

## Back In Your Life

Jonathan Richman

Well, take me way up north to meet your mom and dad  
So they'll see that jonathan ain't quite so bad.  
I want to be back in your life,  
I want to be back in your life,  
Baby baby baby,  
Baby baby baby.

Take me to the fields you used to roam  
So your pal jonathan can call them home.  
When i'm back in your life,  
I want to be back in your life,  
Baby baby baby,  
Baby baby baby.

Well, take me to your favorite covered bridge  
And the road that leads high o'er the ridge.  
I want to be back in your life,  
I want to be back in your life,  
Baby baby baby,  
Baby baby.

Well, gimme a break, bang-bang, gimme a break,  
Bang-bang, gimme a--well,  
Show me the saddle, and show me the stirrup,  
And then we'll help your daddy when he goes out for maple syru  
p.  
I want to be back in your life,  
I want to be back in your life,  
Baby baby baby,  
Baby.

I will wait a long time if that's what it takes  
But someday i want to help your momma when she brings out the  
pancakes.  
I want to be back in your life,  
I want to be back in your life,  
Baby baby,  
I want to be back in your life.

And time's a-wastin', cause what once was a puppy is now a dog  
And what once was a piglet is now a hog.  
And i want to be back in your life,  
I want to be back in your life.
