

# Nineteen In Naples

Jonathan Richman

well when I was 19 I was insecure  
now ain't that 19  
I was over intellectual, that's for sure  
19 in naples, well  
19, 19 in naples.

I had American money falling outta my pants  
19, 19  
Italian train tickets fallin' outta my hands  
19 in Naples  
19, 19 in Naples

When I was 19 I went across the sea  
and I found myself in italy  
oh, 19, 19 in naples

Uh oh, I'm walkin in an alley  
italian kids are looking at me funny  
they're sorta surrounding me  
and they think that maybe I got money  
and they're looking at my wallet  
this almost was a wrong turn for me

Well I didn't like this and I didn't like that  
19, 19  
I was such a little brat  
19 in naples  
19, 19 in naples, Guitar

uh oh yeah  
I'm checking into the "pension"  
it's 2 am  
I'm carrying my bags  
the italian guys are playing poker in their underwear  
yeah under the green light in the lobby  
I'll always remember that  
my big impression

well, when I was 19 I went across the pond  
19, 19  
and I found myself in the demi monde  
19 in naples yeah  
19 19 in naples  
all right  
19 19 in naples  
yeah  
19 19 in naples  
19 19 in naples
