

She Cracked

Jonathan Richman

Well she was sensitive
She understood me
She understood the European things of 1943
But she does all these things that I can't stand
I get jealous if she stays with another man

She cracked, I'm sad, but I won't
She cracked, I'm hurt, you're right

Well she cracked, I won't
She did things that I don't
She'd self destroy, necessary to self enjoy
I self develop, necessary to self help

She cracked, I'm sad, but I won't that's right
She cracked, I'm hurt, you're right

Well she cracked, I won't
She did things that I don't
She'd eat garbage, eat shit, get stoned
I stay alone, eat health food at home

She cracked, I'm sad, but I won't
She cracked, I'm hurt, you're right
Alright
She cracked, I'm sad, but I won't
She cracked, I'm hurt, you're right
One more time, one more time
She cracked, I'm sad, but I won't
She cracked, I'm hurt, you're right
