

Get Ready (Hot Machete)

Jonezetta

Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth again.

Welcome to the lights of the Big Casino
Baby don't you know that Cash is King
You pay your money abd you take your chances
Honey, take my hand and we'll d-d-dance the night away.

Get ready, get, get, get ready like a hot machete.
(Get ready, get)
Get ready, get, get, get ready like a hot machete.
(Get ready, get, get ready, get)

Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth again.

Lights out in the disco
Come meet me out on the dance floor
We're bringing bodies back to life
Just like we all were born tonight.

Get ready, get, get, get ready like a hot machete.
(Get ready, get)
Get ready, get, get, get ready like a hot machete.
(Get ready, get, get ready, get)
Everybody get yourself up
'Cause you know you want to get down
We got the lights down low
'Cause we know you want to get down

LOVE AIN'T ALWAYS A PARTY
LOVE AIN'T ALWAYS A PARTY
LOVE AIN'T ALWAYS A PARTY
LOVE...

Get ready, get, get, get ready like a hot machete.
(Get ready, get)
Get ready, get, get, get ready like a hot machete.
(Get ready, get, get ready, get)
Everybody get yourself up
'Cause you know you want to get down
We got the lights down low
'Cause we know you want to get down

Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth and
Ohhh Back and forth again.
