

# Welcome Home

Jonezetta

Welcome to the lights of the big casino  
Baby don't you know that Cash Is King  
You pays your money and you takes your chances  
Honey take my hand and we'll dance the night away

Get Ready, Get Ready Like a Hot Machete  
Get Read, Get Ready Like a Hot Machete

Back and Forth And  
Back and Forth Again

Lights out in the disco  
Come meet me out on the dance floor  
We're Bringing Bodies Back To Life  
Just like we all were born tonight

Get Ready, Get Ready Like a Hot Machete  
Get Read, Get Ready Like a Hot Machete  
Everybody get yourself up cause you know you want to get down  
We got the lights down low cause we know you want to get down

LOVE AIN'T ALWAYS A PARTY  
LOVE AIN'T ALWAYS A PARTY  
LOVE AIN'T ALWAYS A PARTY  
LOVE!

Get Ready, Get Ready Like a Hot Machete  
Get Read, Get Ready Like a Hot Machete

Back and Forth And  
Back and Forth Again

Lights out in the disco  
Come meet me out on the dance floor  
We're Bringing Bodies Back To Life  
Just like we all were born tonight

Get Ready, Get Ready Like a Hot Machete
