

Wide Awake

Jonezetta

Wide-awake
I am hardly talking
I didn't have a lot to say
if this is really love
or the reflection

on and on
give up everything
leave with out it
we are not coming back now

in my mind we are all one
floating in a world, misunderstood
I heard the voice of God
in the reflection

on and on
give up everything
leave without it
we are not coming back now
