

## Sex Kills

Joni Mitchell

I pulled up behind a Cadillac  
We were waiting for the light  
And I took a look at his license plate  
It said "Just Ice"  
Is justice just ice?  
Governed by greed and lust?  
Just the strong doing what they can  
And the weak suffering what they must?  
And the gas leaks  
And the oil spills  
And sex sells everything  
And sex kills  
Sex kills

Doctors' pills give you brand new ills  
And the bills bury you like an avalanche  
And lawyers haven't been this popular  
Since Robespierre slaughtered half of France!  
And Indian chiefs with their old beliefs know  
The balance is undone crazy ions  
You can feel it out in traffic  
Everyone hates everyone!  
And the gas leaks  
And the oil spills  
And sex sells everything  
And sex kills  
Sex kills

All these jackoffs at the office  
The rapist in the pool  
Oh and the tragedies in the nurseries  
Little kids packin' guns to school  
The ulcerated ozone  
These tumors of the skin  
This hostile sun beating down on  
This massive mess we're in!  
And the gas leaks  
And the oil spills  
And sex sells everything  
And sex kills  
Sex kills  
Sex kills  
Sex kills  
Sex kills
