

# You Dream Flat Tires

Joni Mitchell

It came to pass  
Like lightening striking from above  
Electric flash  
Just like lightening striking from above  
Struck by precious love  
Precious, precious love  
So hopeless and so inspired  
Why do you dream flat tires  
When you dream flat tires?  
You dream flat tires

With a jack and a spare you're there  
Trying to get to where love is  
Coming in on a wing and a prayer  
Trying to get to where love is  
'Cause love is precious love  
You said it was precious  
When first you felt my fire  
Before you dreamed flat tires  
You dreamed flat tires  
You dream flat tires

"Woman she bounce back easy  
But a man could break both his legs"  
Are you telling me that to tease me?  
Or just to hear me beg  
"Please don't go!"

Cause I know that you love me  
But, when are you going to let love be  
Just a vague flirtation  
Or extra special company?  
'Cause love is precious love  
Everybody knows it's precious  
When first they feel that fire  
Before they dream flat tires  
They dream flat tires  
They dream flat tires

"Woman she bounce back easy  
But a man could break both his legs"  
Do you tell me that to tease me  
Or just to hear me beg  
"Please don't be cold"

I know that you love me  
But, what are you going to let love do?  
(Flat tires, love, love is precious, flat tires,  
love, love is precious, flat tires, love,  
love is precious)
