

# The Lives We Live

Jonny Craig

(Here we go, here we go  
Just let it in, let it in, let it in, let it in, oh  
Here we go)

Let it in, let it in  
I just want to let you win  
Coming down, coming down  
There's one thing on my mind  
It's to show you that you're mine  
Show you that I care  
Show you where I can take you in this world  
Do you understand?  
There's nothing above me, baby  
Do you understand that I stand higher than anything you've ever seen?  
And my goal is to make you love it  
Even if you can't describe  
Even if you can't decide where you win

And you got it, you got it  
Please tell me you're the one  
I got in, I got it  
Please tell me that I've won  
And my eyes are blocked by the sun  
It's the reason why I run

You got it, you got it  
Please tell me you're the one  
And my eyes are blocked by the sun  
It's the reason why we both run  
It's the reason why I run

This time, this time  
We'll both get what we want  
One line, one line  
To turn it into something hot  
And if I can't have you  
I say fuck the whole lot  
But I know, but I know how to make you turn away  
From anyone but me now  
Anyone but me now  
Can you see, can you see our lives together?  
Can you feel my dreams building, yeah, building within you?  
(Building within you?)

You got it, you got it  
Please tell me you're the one  
I got it, I got it  
Please tell me that I've won  
And my eyes are blocked by the sun  
It's the reason why I run

You got it, you got it  
Please tell me you're the one  
(And I got it)  
Please tell me that I've won  
And my eyes are blocked by the sun  
You're the reason why I run

You're the reason why

And you got it, you got it  
Please tell me you're the one  
And my eyes are blocked by the sun  
And my eyes, still blocked by the sun  
You're the reason why I run
