

Back For A Taste Of Your Love

Jonny Lang

Here I come, I'm Comin' for a taste of your love
Here I come, baby, because I Like what you do for me
Little by little, bit by bit, I'm falling in love all over again
n

Here I come, I'm comin' for a taste of your love
Here I come now, baby, just like I did before
Well I'm comin' back 'cause this time I'm Sure

It takes two to make it and I know you can take it again

Here I come, I'm back for a taste of your love
Here I come, here I come back for ya now

What you've been, just come down on me
You've got the lock pretty baby, but I've got the key
Little by little, bit by bit, I'm fallin' all over again

Here I come, I'm Fallin' for a taste of your love
Here I come now, baby, back for a taste of your love
Here I come, for a taste of your love
