

# Beautiful One

Jonny Lang

I gave my word, I made a promise  
And I'm gonna keep it til the end  
What would I do, if I lost it  
There's nothing better than what we have

Somehow in my mind  
Always new I'd find my

Beautiful one, Beautiful child, my everything  
Beautiful one, Beautiful child

So much you give so much to live for  
And I wanna give it all back to you  
And If it means pouring my heart out  
to show you I love you, then I will

Beautiful one, Beautiful child, my everything  
Beautiful one, Beautiful child

To be the one to call you mine  
To feel the way I do inside  
You're so much more than I ever dreamed  
This is forever I believe

Beautiful one, Beautiful child, my everything  
Beautiful one, Beautiful child  
I know you're what I need  
Beautiful one, Beautiful child
