

# Don't Stop (For Anything)

Jonny Lang

Living in the back of this car  
Had a wind up in this place  
It never should have gotten this far  
I was such a fool to run away

I can't believe I'm begging to this trash  
Back home I had seated the table  
The only thing that's holding me back  
Is my inability to be grateful

But today I finally had enough  
I'm sick and tired of  
This kind of life  
I listen to the words inside

Singin', I roll like a freight train  
I blow like a hurricane  
Yeah, I run like a Mustang  
Don't stop for anything

Only saying, journey of a thousand miles  
Starts when you take the first step  
Travel for a little while  
And it won't be coming back again

Now lighten my Lord, lighten my soul  
Please don't leave this side of road  
Negativity brings misery  
All just could see the history

And I see the storm is finally gone  
The sun is rising on  
A brand new day  
Another like it's in my way

I will roll like a freight train  
And blow like a hurricane  
Gonna run like a Mustang  
Don't stop, don't stop for anything

I will never roll like a freight train  
Gonna fly like a jet plane  
Running back like a boomerang  
I won't stop for anything, hey

Today I finally had enough  
I'm sick and tired of  
This kind of life  
I listen to the words inside

I will roll like a freight train  
Gonna blow like a hurricane, well  
Gotta run like a Mustang  
I won't stop, I won't stop for anything

You gotta roll like a freight train  
Gonna fly like a jet plane

Coming through like a boomerang  
I won't stop for anything, no

I'm coming through like a, a freight train, freight train  
A hurricane, a Mustang, a Mustang  
I won't stop, I won't stop anything, no, no  
I'm coming through, you better gotta do like

A freight train, a freight train  
A Mustang, a freight train, a hurricane  
I won't stop for anything  
Well, well, well, well, well, well  
Yeah for anything yeah yeah yeah
