Hit The Ground Running

Jonny Lang

```
I'm the biggest fool there ever was, I let you go
Now I can't survive without your touch, I need you so
Now baby all you've got to do
Is to tell me that you need me too

I hit the ground runnin'
Back to you

Well, I'd rather die a thousand deaths
Than to loose you love
But now I'm drowning in my loneliness
I can rise above
Well, just forgive me this one last time
And tell me baby your still mine

I hit the ground runnin' Back to you
```
