

## Lie To Me

Jonny Lang

Lie to me and tell me everything is all right  
Lie to me and tell me that you'll stay here tonight  
Tell me that you'll never leave  
Oh, and I'll just try to make believe  
That everything, everything your telling me is true  
Come on baby won't you just

Lie to me, go ahead and lie to me

Lie to me, it doesn't matter anymore  
It could never be, the way it was before  
If I can't hold on to you  
Leave me somethin' I can hold onto  
For just a little while won't you, won't you let me be

Oh, anyone can see  
That you love him more than me  
But right now baby let me pretend  
That our love will never end

Lie to me, go ahead and lie to me
