

# Give It To You

Jordan Knight

You say it's been too long  
Since you had some  
Just say I turn you on  
Like a fire that's burning inside  
You think that I'm the one  
You see in your dreams  
I know what you mean

It's creepin' around in your head  
Me holdin' you down in my bed  
You don't have to say a word  
I'm convinced you want this

Baby you know I can give it to you  
I can't deny I'd do it right  
Just let me know and I'll give it to you  
Show me where I'll taste you there  
Baby you know and I'll give it to you  
Your body needs a man like me  
Anything goes when I give it to you  
Without a doubt I'll turn you out  
The feeling is fine giving you everything of mine

I'm the place to be and soon you'll see  
I don't care who leads as long as we move  
Horizontally  
Anyone can make you sweat, but I can keep you wet

It's creeping around in my head  
Me holding you down in my bed  
I can't wait to give you some  
I'm convinced you need it
