

Up N Down

Jordan Knight

Hey girl I like the way, you shake and move that thing,
I see I'm doing me, and baby this thing is twenty/twenty!
I think I'm just about to make my move somehow
I got a proposition; let me buy you what you're sipping.

I don't mean to rush you,
I don't want you to feel pressure,
It's just a question and if the answer is no
I can wait all night, girl, I can wait all night!
'Till the feeling's right, girl I can wait all night!
She'll... working around, I'm losing control
When you go up n down, up n down!
I like the way you keep me guessing..
Got me acting like an adolescent
Up n down, (let's go) up n down!
(when you go) Up, up, up, I go down
When I go up, up,
It goes down
When U go up, up,
I'll go down,
When I go up, up,
It goes down, oh!

It's getting after dark,
Let's take this way too far,
jump on my spaceship,
I'll make you so you see the stars.
the lights are hitting right,
Reflecting off your backside
Girl, I kinda like how you do, do, do, do it!

I don't mean to rush you,
I don't want you to feel pressure,
It's just a question and if the answer is no
I can wait all night, girl, I can wait all night!
'Till the feeling's right, girl I can wait all night!
She'll.. working around, I'm losing control
When you go up n down, up n down!
I like the way you keep me guessing..
Got me acting like an adolescent
Up n down, (let's go) up n down!
(when you go) Up, up, up, I go down
When I go up, up,
It goes down
When U go up, up,
I'll go down,
When I go up, up,
It goes down, oh!

Your body's working, baby
I like how you work it, girl!
Your body's working, baby!
I'm working your body, girl!
Your body's working, baby
I like how you work it, girl!
Your body's working, baby!
Cause I'm working your body, girl!

She'll... working around, I'm losing control
When you go up n down, up n down!
I like the way you keep me guessing..
Got me acting like an adolescent
Up n down, (let's go) up n down!
(when you go) Up, up, up, I go down
When I go up, up,
It goes down
When U go up, up,
I'll go down,
When I go up, up,
It goes down, oh!
