

## When You're Lonely

Jordan Knight

I know he hurt you  
I see you cryin'  
Girl I can stop the rain from falling  
Just let me hold you  
I want to tell you  
All the things you need to hear

Let me be the one you need  
Everything you want I'll be

Baby when you're lonely  
I'll be there to dry your tears  
Baby when you're lonely  
Don't you worry I'm right here

He always told you  
He never showed you  
Love is more than saying the words  
Someone to talk to  
Someone to listen  
Something that I know you've been missing

Let me be the one you need  
Everything you want I'll be

Baby when you're lonely  
I'll be there to dry your tears  
Baby when you're lonely  
Don't you worry I'm right here

To take away the pain you feel  
You never had a love that's real  
I will always be holding you close to my heart  
Girl we'll never be apart

Baby when you're lonely  
I'll be there to dry your tears  
Baby when you're lonely  
Don't you worry I'm right here
