

# Ever Ever After

Jordan Pruitt

Storybook endings  
Fairytale coming true  
Deep down inside  
We wanna believe  
They still do  
And a secret is taught  
It's our favorite part  
Of the story  
Let's just admit  
We all wanna make it to

Ever ever after  
If we just don't get it  
Our own way  
Ever ever after  
It may only be  
A wish away

Start a new fashion  
Wear your heart  
On your sleeve  
Sometimes you reach  
What's real  
Just by making believe  
On the fate  
On a shame  
There is joy  
To be claimed  
In this world  
You might even wind up  
Being glad to be you

Ever ever after  
Though the world  
Will tell you  
It's not smart  
Ever ever after  
The world can be yours  
If you let your heart  
Believe in ever after

No wonder your heart  
Feels its flying  
Your head feels  
It's spinning  
Each happy ending's  
A brand new beginning  
Let yourself be enchanted  
You just might break  
The rule to

Ever ever after  
Forever could even  
Start today  
Ever ever after  
Maybe it's just  
One wish away

Your ever ever after  
Ever ever ever after  
Oh, oh, oh  
Forever ever after
