Ever Ever After

Jordan Pruitt

Storybook endings Fairytales coming true Deep down inside We wanna believe They still do And a secret is taught It's our favorite part Of the story Let's just admit We all wanna make it to

Ever ever after If we just don't get it Our own way Ever ever after It may only be A wish away

Start a new fashion Wear your heart On your sleeve Sometimes you reach What's real Just by making believe On the fate On a shame There is joy To be claimed In this world You might even wind up Being glad to be you

Ever ever after Though the world Will tell you It's not smart Ever ever after The world can be yours If you let your heart Believe in ever after

No wonder your heart Feels its flying Your head feels It's spinning Each happy ending's A brand new beginning Let yourself be enchanted You just might break The rule to

Ever ever after Forever could even Start today Ever ever after Maybe it's just One wish away Your ever ever after Ever ever ever after Oh, oh, oh Forever ever after
