Jordan Pruitt

(Yeah, yeah, yeah, yeah, yeah, yeah, yeah)
She's a walking casting call
A fashion runway doll
Her 4.0 comes naturally
She's good at everything
She's got a following
An entourage of copy queens
No need to try out for the school play
You know she'll get the lead anyway
Yeah

She's the girl that you love to hate
She's the heartstoppin' doubletake
Everyone knows that she's got it made
Workin' hard to be
Miss Popularity

She wears the cutest clothes
She has the latest phone
And all the right accessories
Her skin's like porcelain
Her hair is perfect and
Sometimes she really gets to me
She's gorgeous and you know she knows it
She's a size zero and she loves to show it
Yeah

She's the girl that you love to hate
She's the heartstoppin' doubletake
Everyone knows that she's got it made
Workin' hard to be
Miss Popularity

She's every teacher's pet
There ain't no guy that she can't get
Her daddy's kid is loaded yeah yeah
And her mommy drives a pink Corvette

Ooh whoa whoa whoa
Ooh whoa whoa
Ooh whoa whoa

Workin' hard to be
Oh
