

# Unconditional

Jordan Pruitt

You got me  
I know that you always have  
Been there looking up over my shoulder  
And you'll be there when I get older  
cause I'm depending on you  
and when I go wrong  
It's ok

Im not alone your there beside me  
Confident cause im feelin you'd guide me  
I couldn't do without you, no

troubles with my guy, issues with my girls  
you cover me with your love  
so I know It's gonna be alright  
I know its gonna work out fine  
There are sometimes when I'm running low  
and I here your voice like the radio

Lifting me up  
Back to a better place  
Where love is unconditional

When the world fights back  
When this train gets bit off track  
Remember your words  
"there's allways another way"  
Where love is unconditional

You know me inside out  
know my good and bad but you still love me  
so thank you for taking care of me  
I know you always come through and  
even when i might fall down

i dont know just how but you allways pick me up  
and I know you'll never remind me  
What would I do without you through  
troubles with my guy, issues with my girls  
you cover me with your love  
so I know its gonna be alright  
I know it's gonna work out fine

There are sometimes when I'm running low  
and I here your voice like the radio

Lifting me up  
Back to a better place  
Where love is unconditional

When the world fights back  
When this crazy train gets a bit off track  
Remember your words  
"there's always another way"  
Where love is unconditional

And when i think im about to let go

There you are  
cheering me on  
And it aint even about whats ur set record  
cause u ask for nothing in return  
its just unconditional

ya ye ya ye  
ooooohhhh

There are sometimes when I'm running low  
and I here your voice like the radio

Lifting me up  
Back to a better place  
Where love is unconditional

When the world fights back  
When this train gets bit off track  
Remember your words  
"there's allways another way"  
Where love is unconditional
