

For Now

Jordin Sparks

What you gonna do with your life? Everybody keeps asking me. They're only giving me so much time, to be who I'm supposed to be. What's wrong with who I am? Being right where I am? I keep wondering what's the rush? I'll get there soon enough.

R: It's my life, I'm gonna live it in this moment. Take my time, yeah. Let it take me where it's going. Some things you learn. Some things their own selves out. That's all I need to know, for now.

Verse 2: I hang out with a lot of friends. They keep talking 'bout the same old things. They're all looking for Mr. Right. That just clouds my brain. Well, I'm thinking it's kind of cool, not knowing what's around the corner. Tomorrow's on the way. But I'm still soaking up today.

R:

It's my life, I'm gonna live it in this moment. Take my time, yeah. Let it take me where it's going.

R:

Na, na, na ... What you gonna do with your life? Na, na, na ... I'll get there soon enough. Na, na, na ... Tomorrow's on its way. Na, na, na ... That's all I need to know ... For Now
