

Let Me Love You

Jordin Sparks

(VERSE 1)

I can give you so much more, than what you think you're looking for. A lovely picture in your mind, multiplied a thousand times. And then you might come close. And maybe then you'll know. How amazing it could be. I could show you, baby, if you.

(CHORUS)

Let me love you. Let me love you like (repeat line 3x) that, yeah. You'll never be lonely, baby if you only, let me love you. Let me love you like that, yeah.

(VERSE 2)

You don't know how much I hate it, when you're not appreciated. She doesn't have a clue. The kind of man she's found in you. Some day you're gonna see. You'll need a woman just like me, to love you and adore you. Baby, how long before you.

(REPEAT CHORUS)

(BRIDGE)

Why don't you open your eyes? When will you just realize? The love is solid and true. My heart beats only for you. It's just a matter of time, before you make up your mind. I'll be right here when you do. And I'll be waiting 'till you.

(REPEAT CHORUS)

Oh, you'll never be lonely baby, if you only, let me love you. Let me love you like that. Yeah, yeah, yeah, yeah.

(REPEAT BRIDGE)

Let me love you. Let me love you like that. Yeah, yeah, yeah, yeah ... like that ... like that ... Let me love you like that. Let me love you like that
