

# Something in the Way

Jorja Smith

When I left I thought I would be stronger  
But in fact, it took away my energy  
Hard to tell you that I could not really see  
Beyond the gates of this purgatory  
I am so tainted now, I cannot wash you off  
The memories still don't seem to fade  
When I left, did you even wash your tears?  
'Cause mine have been dryin' for days

Something in the way  
Why am I crying for you, babe?  
Can't stand the rain  
Time to move on anyway

Don't ask me why  
It's done  
So long, goodbye  
I'm gone

'Cause only sun in the summer lasts  
No holdin' on and no lookin' back  
Even the sun doesn't seem to last  
It don't hold on, it's not comin' back

If I kept a hold a little longer  
I would never think I'd ever get away  
Don't want to say I tried to keep ya  
Say love is blind, I couldn't see you change, no  
Don't wanna find myself back in that place  
I have wasted all my tears on fools  
There was no help for me, no saving grace  
I had been tryin' for days

There was something in the way  
Why am I crying for you, babe?  
No I can't stand the rain  
Time to move on anyway

Don't ask me why  
It's done  
So long, goodbye  
I'm gone

'Cause only sun in the summer lasts  
No holdin' on and no lookin' back  
Even the sun doesn't seem to last  
It don't hold on, it's not comin' back

Well there was something in the way  
Why am I crying for you, babe?  
I can't stand the rain  
Time to move on anyway

'Cause only sun in the summer lasts  
No holdin' on and no lookin' back  
Even the sun doesn't seem to last  
It don't hold on, it's not comin' back

Even the sun in the summer doesn't seem to last  
No holdin' on and no lookin' back  
Even the sun doesn't seem to last  
It don't hold on, it's not comin' back
