

Are You Ready?

Jorn Lande

Are you ready to rock
Are you ready to rip it up
Do you know what I'm talking about
Are you ready to get it up
Are you ready to dance
Are you ready to hit the floor
Are you ready
If you're ready I'm ready

Are you ready to rock
Are you ready to shake it up
Do you know what I'm thinking of
Are you ready to tear it up
Are you ready to dance
Are you ready to hit the floor
Are you ready
If you're ready I'm ready

Are you ready to rip it up
Are you ready to take it down
Are you ready to dance about
Am I messing around
Are you ready to rock
Are you ready to hit the floor
Are you ready
If you're ready I'm ready

Are you ready to rock...rock
Oh yeah
