Sacred Heart

Jorn Lande

The old ones speak of winter The young ones praise the sun And time just slips away

Running into nowhere Turning like a wheel And a year becomes a day

Whenever we dream That's when we fly So here is a dream For just you and I

We'll fin the Sacred Heart Somewhere bleeding in the night Look for the light And find the Sacred Heart

Here we see the wizard Staring through the glass And he's pointing right at you

You can see tomorrow
The answer and the lie
And the things you've got to do

Oh, sometimes you never fall
And ah - You're the lucky one
But oh - Sometimes you want it all
You've got to reach for the sun

And find the Sacred Heart
Somewhere bleeding in the night
Oh look to the light
You fight to kill the dragon
And bargain with the beast
And sail into a sight

You run along the rainbow And never leave the ground And still you don't know why

Whenever you dream You're holding the key It opens the door To let you be free

And find the Sacred Heart Somewhere bleeding in the night Run for the light And you'll find the Sacred Heart

A shout comes from the wizard
The sky begins to crack
And he's looking right at you - Quick
Run along the rainbow
Before with thirds to black - Attack
