Shame on the night

For places I've been, and what I've seen  
For giving me the strangest dreams  
But you never let me know just what they mean  
And oooohhh.... so Shame on the Night... Alright..

And shame on You

You've stolen the day, snatched away  
But I saw the sky and I never wanna die  
Now you know the reason why I say  
Oooohhh... Shame on the Night

You don't care what you've done  
So I think I better run  
Shame on the sun

For the lights you've sold  
I've lost my home  
On the Magic Flame, but now I know your name  
Oh Lord just go away and tell again  
Oooooohhh.... Oh! Shame on the night!

You dont care what you've done  
So I know I better run.....  
Shame on the Night

For places Ive been, and what I've seen  
For giving me the strangest dreams  
You never never never know just what they mean  
And ooooohh... Shame on the night

You dont care what youve done  
Here I go, Ive got to run.....

Shame on the night  
Shame shame on you  
Shame on my dreams  
Shame on the sun and You  
Shame on the night  
Well I lost my home on the Magic Flame, but now I know your name  
Shame on the night  
Shame on you..... Shame on ALL of you  
Shame on the night

Now im just a worthless Diver...
