

So many faces cold and worn
Starnded in this world
So little time there's no rewinding
Must be strong and carry on

As the light of the moon catches me I live... I live
As the stars shimmer bright for me I live... I live

I am the footprint in the sand
I am the wind that sweeps the land
I am the eyeglass of a blinded man
In the heat of desire - I'm a starfire
Falling down from the sky...yeah

So many choices where will they lead us
Don't know where to go
Pray for the children for they are the future
Teach them how to play

As the light of the moon catches me I live... I live
As the stars shimmer bright for me I live... I live

I am the footprint in the sand....

As the light of the moon catches me I live... I live
As the stars shimmer bright for me I live... I live

I am the footprint in the sand....

The sunshine and the rain, I am the hurt I am the pain
I am the soilder without a name
In the heat of desire - I'm a starfire
Falling down from the sky - I'm a starfire
Burning desire...I'm a starfire - I'm on fire
