

So many faces cold and warm  
Stranded in this world  
So little time, there's no rewind  
Must be strong and carry on

As the light of the moon catches me  
I live, I live  
As the stars shimmer bright for me  
I live, I live

I am the footprint in the sand  
I am the wind that sweeps the land  
I am the eyeglass of a blinded man  
In the heat of desire  
I'm a starfire  
Fallen down from the sky

So many choices, where will they lead us?  
Don't know where to go  
Grateful children for they are future  
Teach them how to play

As the light of the moon catches me  
I live, I live  
As the stars shimmer bright for me  
I live, I live

I am the footprint in the sand  
I am the wind that sweeps the land  
I am the eyeglass of a blinded man  
In the heat of desire  
I'm a starfire  
Fallen down from the sky

As the light of the moon catches me  
I live, I live  
As the stars shimmer bright for me  
I live, I live

I am the footprint in the sand  
I am the wind that sweeps the land  
I am the eyeglass of a blinded man  
In the heat of desire  
I'm a starfire  
Fallen down from the sky

I am the sunshine and the rain  
I am the hurt, I am the pain  
I am the soldier without a name

So many voices  
So little time, there's no rewinding  
I am the sunshine and the rain  
I am the hurt, I am the pain
