

## Deadweight on Velveteen

José González

Deadweight on velveteen  
It's retained emptiness  
It's not what it seems  
Uncover the mystery  
Tell everyone what you see  
It's not what it seems  
Vulgar when brought to light  
Betray the image  
There's nothing between the sheets  
It's not what it seems  
But deadweight on velveteen  
Vulgar when brought to light  
Vulgar the lie
