

What Will

José González

What will it be? Her legacy
Lazy acceptance of the norm
What will it be? If our will is free
Silent acceptance of the form

Vestiges and claws
Fight for a common cause

What will it be? Our legacy
Faith in dogma or reasoning
What will it be? If our will is free
Refine our tools and use our wings

Vestiges and claws
Fight for a common cause
Refining without pause
Fight for a common cause

What will
What will, will it be?...

Petty thievery, tribal rivalry,
Envy or generosity,
Wishful thinking or reality?

What will
What will, will it be?...

Vestiges and claws
Fight for a common cause
Free your mind
To leave dogma behind
