

We could be free  
You and me  
But I'd rather be a  
Cockteezzze

Hey, get on your knees and pray with me  
I don't care what you wanna believe

We could be free  
You and me  
But I'd rather be a  
Cockteezzze

Hey, get on your knees and pray with me  
I don't care what you wanna believe

Let me get witcha, witcha one time  
Witcha, witcha one time  
One time

Oh hey, hey, hey

We could be free  
You and me  
But I'd rather be a  
Cockteezzze

Hey, get on your knees and pray with me  
Oh, I don't care what you wanna believe

Be free  
You and me  
But I'd rather be a  
Cockteezzze

Get on your knees and pray with me  
I don't care what you wanna believe

Let me get witcha, witcha one time  
Witcha, witcha one time  
One time

Oh hey, hey, hey
