

## Crying On Sunday

Joseph Arthur

Crying on sunday  
After church  
To wake up on monday  
Everything's worse.  
Forgive me on tuesday  
Or live with the curse  
Of crying on sunday  
After church.  
We believe in redemption  
Yet we follow regrets  
To the ones we are trying always to love  
And respect.  
Crying on sunday  
The virgin gave birth  
To wake up on monday  
Without her purse.  
Destroy me on tuesday  
I only get worse  
For crying on sunday  
After church.  
I've never been so sure of love - love (repeated 4 times)  
We believe in redemption  
But we follow regret  
To the ones we are trying always to love  
And respect.  
Crying on sunday  
After church  
To wake up on monday  
Everything still hurts.  
Forgive me on tuesday  
Or be damned with the curse  
Of crying on sunday  
After church.
