

My Home Is In Your Head

Joseph Arthur

You want to be free
Don't act like it's bad
I'm already dead
My home is your head

Hey You and me
Can't get what we need
Hey You and me
Can't get what we need

You're a suicide
Only out for revenge
You can't controll my mind
If I don't believe your're gonna try

Hey You and me
Can't get what we need
Hey You and me
Can't get what we need

You want to be free
Don't act like it's bad
I'm already dead
My home is your head

Hey You and me
Can't get what we need
Hey You and me
Can't get what we need
