

# No Surrender Comes For Free

Joseph Arthur

Your pupils are almost always pinned  
Fly like you will the shape of the wind  
Skating on ice at once thinning and thinned  
You wait to fall thru to do it again

Your eyes are like pins stabbing my neck  
Vampire needs on trains that you wreck  
Your heart is a ghost or barely a speck  
Play every game and load every deck

Your pupils so small go high to the end  
Internal worlds fall and dreams just descend  
Disguised all the time an enemy's friend  
Relationships die and never will mend

Under your skull clouds of pure bliss  
As you give in to the vampire kiss  
A cut in your heart appears on yer wrist  
Giving to time the denial of this

No surrender comes for free  
No surrender comes for free  
No surrender comes for free  
No surrender comes for free

Pills just dissolve in bellys of dust  
And float to your eyes emotion you trust  
Like Bob Dylan said life is sad and a bust  
But to get by you face what you must  
Rob from always on the run is so bad and copy paste is a sin  
All your lies can't save you now  
A selfish world that broke somehow  
Over the moon you jump like a cow  
As leaches of thoughts squirm under your brow

Tricks licks kicks and dicks  
All get bought and sold and mix  
Words break bones like stones and sticks  
As you run out of veins to fix

Shattered eyes still smiles wide  
Under clouds you love to hide  
You'd rather die than swallow pride  
As walls build up and up inside

But no surrender comes for free  
No surrender comes for free  
No surrender comes for free  
No surrender comes for free  
That's right

A cloudy demon with angel breath  
Floating forward backward death  
Nothing to gain and nothing left  
Just the evidence of theft

From yourself you stole what's true

If it could work I'd do it too  
Follow the lonely line of you  
Until there's no way to come back through

Bleeding eyes and holy toes  
Blissful fingers where no one goes  
The things you've done no one knows  
But what you hide still always shows

Touching on epiphany  
But no surrender comes for free  
No surrender comes for free  
No surrender comes for free

Follow you or follow me  
Follow you or follow me  
No surrender comes for free  
If they could see the things you see

No surrender comes for free  
If they could see the things you see  
No surrender comes for free  
Follow you or follow me  
No surrender comes for free  
No surrender comes for free

No surrender comes for free  
No surrender comes for free  
That's right
