

# Papa

Joseph Arthur

I  
Needed you to love me  
But you  
Did not know how to love

Papa  
You've been gone too long  
Papa  
I'm so glad you're home

You  
Were living in a separate world  
I  
Tried so hard to impress you

Papa  
You've been here before  
And papa  
I'm not as strong as you are

I can finally see  
Looking through your eyes  
I will try to honour you with my life

Papa  
You've been gone too long  
Papa  
I'm so glad you're home
